WINTER MENU

We hope you enjoy our Winter menu.
We have added some little anecdotes for the dishes based on our travels around the world.
Enjoy - your hosts, Bill and Sandra

THE FAMOUS FISH AND CHIPS

To achieve the best Fish and Chips you need:

A mix of North and South.

The art of a good Mushy Pea and the lightness of a homemade batter.

Add the purity of an Icelandic Cod that has only swum in un-polluted water and been allowed to grow and not over-fished.

Rolled in rice cones and deep fried in pure vegetable oil, and you might reach your goal.

At the Bakers we feel we have achieved this:

Large	£16.95	(16 - 20oz)
Medium	£10.95	(8 - 12oz)
Small Fish	£7.50	

GAMMON, EGG AND CHIPS - £12.95

While visiting York Minster we came across a small tea room with a sign outside saying famous York gammon, we tried it and thought it was the best ever, here with 2 eggs, chips, mushroom and tomato.

100% BEEFBURGER TOPPED WITH CHEESE - £11.95

When I was in the Royal Navy we docked in Puerto Rico. Opposite was an American burger joint called Black Angus. 100% beef and cooked under a char grill - best ever.

WHOLE RACK OF RIBS - £14.95

In Estepona, Spain, my favourite Argentine restaurant called The House of My Grandmother - rack of ribs cooked in a hole in the wall, smothered in BBQ sauce - try ours.

LAMB LOIN FILLET WITH A PORT AND REDCURRANT SAUCE - £16.95

This is the finest cut from the lamb, expensive but a fantastic dish; pan fried with rosemary until golden brown on the outside and pink in the middle.

CHICKEN BREAST AND BACON IN A STILTON SAUCE WITH LINGUINE - £11.95

We finished Blackjack in Monte Carlo Casino and stumbled into a little Italian just off The Square - the owner suggested this dish - an absolute delight.

PORK FILLET MEDALLIONS WITH PEPPERCORN SAUCE - £12.95

Went to a food exhibition in London, Keith Floyd was pan frying these with a creamy green peppercorn sauce - a not too heavy dish.

10OZ RUMP STEAK PLATTER 30 DAY MATURED - £15.95

Seasoned and char grilled this cut has a nice flavour and is a favourite amongst steak lovers.

BEEF BOURGUIGNON - £14.95

Tender diced beef slow cooked in red wine with shallots and fresh thyme on a bed of creamed potatoes and fresh vegetables. First tasted in Paris and I have been a fan ever since.

STEAK AND KIDNEY PUDDING - £11.95

Large suet pudding filled with Steak and Kidney topped with slow cooked beef and gravy served with chips/mash and peas.

COTTAGE PIE TOPPED WITH CHEESE - £10.95

My Grannie used to make this every Monday with leftovers. We make it fresh but to her recipe - robust and filling.

LASAGNE - £11.95

When at the Straford, Wakefield, met a 4ft, 8in Italian - the dog was bigger than him - but he gave a recipe for a Sicilian lasagne and have used it ever since.

VEGETARIAN DISHES

MUSHROOM STROGONOFF - £10.95

On a visit to the Ural Mountains, I was invited to lunch by a local Siberian farmer. His wife served up a bowl of this with herbs, paprika and mushrooms with rice.

BACON, MUSHROOM AND CHEDDAR PANINI - £8.50

Casino crawling in France, we found ourselves starving in the casino in Dinard at 2am.

SIMPLE CHEESE AND TOMATO - £7.50

Somerset farmworkers staple lunch - sometimes you just want something simple - fresh tomato and mature Cheddar.
